## Adele's 'Fire' Reigns; Whitney Remembered

Just in case sweeping all six of the Grammy Award categories in which she was nominated last night wasn't enough, Adele adds another honor, scoring her second No. 1 on Billboard's Nielsen BDS-based Mainstream Top 40 chart, as "Set Fire to the Rain" ascends 2-1.

The singer, who emerged with trophies for album of the year and best pop vocal album (21), record and song of the year and best short form music video ("Rolling in the Deep") and best pop solo performance ("Someone Like You") and returned to live performing last night following vocal surgery late last year, reigned for five weeks on Mainstream Top 40 with "Deep." Follow-up "Someone" rose to No. 2.

"Fire" concurrently spends a second week at No. 1 on Adult Top 40. **LEGENDARY:** The music world lost an icon on Feb. 11 in Whitney Houston. As with her voice, when it came to her history on the Billboard charts, Houston had, in many ways, no equal.

The Houston-led soundtrack to "The Bodyguard" stands as the longest-reigning album by a woman in the 56-year history of the Billboard

200, having led for 20 weeks in 1992-93. Her 46 total frames at No. 1 on the survey are the most among women.

**LIVE AND LOCAL:** Emmis-owned adult R&B WRKS (98.7 Kiss-FM) New York went into all-Houston mode Saturday night, playing the superstar's numerous hits and fielding calls from grieving listeners, many listening in Houston's hometown of Newark, N.J.

Kiss weekend air talents Cocoa Chanelle and Buggy manned the mic Saturday night, along with PD Jay Dixon. "I can say that being here tonight and sharing this pain with New York is helping me through this," Dixon said.

"To go through this with everyone is comforting," Chanelle added.

And—in a sentiment that could double as an open letter to radio groups that rely on voice-tracked DJs on weekends—Buggy rightly observed: "This is one of those days that the radio is important."

**ADELE**  
Radio's influence isn't lost on Adele, who, at last night's 54th Grammy Awards, thanked programmers and broadcasters for taking a chance on her soulful "Rolling in the Deep," the newly crowned record of the year.

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 141, 69 and 86 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented in this update is preliminary and subject to change, pending final review by Billboard and BDS. Finalized charts can be viewed on Monday afternoon via Nielsen BDS' subscription platforms or via subscription to www.billboardplus.com. © 2012, Prometheus Global Media, LLC and Nielsen BDS, Inc.
